

# THE SOUTHERN PRESS

An association of fifty-three Members of Congress, Senators and Representatives, have constituted the undersigned a Committee to superintend the establishment of a Southern Press at Washington, City, to be devoted to the exposition and dissemination of correct information to the Southern States, and to the course of political affairs generally. Arrangements are now in progress, promptly to ensure the issue of such a paper under the title of "THE SOUTHERN PRESS."

There will be a daily, a tri-weekly, and a weekly issue—the latter to contain substantially the same matter as the former, and intended to reach those points of the country where mail facilities are limited. The paper will not be exclusively political—but will embrace on its broad sheet the General News of the day, Domestic and Foreign, by mail and telegraph; Commercial and Agricultural Intelligence; Literary Criticisms, Original Essays, Literary and Miscellaneous; and, in short, all those items of general interest, the collected aggregate of which constitutes the interesting and valuable Newspaper. Great care will be taken to give full and correct Reports of the Proceedings and Debates in both Houses of Congress, as well as of the action of the Local Legislatures.

A limited number only of Advertisements will be received—the main object being to furnish a large amount of reading matter. The paper will be printed on a sheet equal in size to those of the other Washington papers, and the material will be procured especially for the purpose. It is confidently expected that the Southern Press will aid in procuring subscribers, and forward the names, with the amount subscribed, to some Southern Representative at Washington, forthwith Postmaster General authorized by law to remit subscriptions free of postage.

**TERMS.**  
For Daily—the price will be per annum, \$10.00  
For Tri-weekly during the Session of Congress, and Semi-weekly during the recess, 5.00  
Weekly paper, 2.00  
The price of subscription must be paid in advance, and the cash accompanied "no name sent."

All persons procuring ten names will be entitled to receive a copy gratis for one year.

MEETING OF THE CENTRAL COMMITTEE FOR THE UNITED STATES.

Pursuant to the notice given, the Central Committee met at the rooms of the National Institute, in the Patent Office, on Thursday evening, the 13th instant, at 8 o'clock.

The meeting was called to order by Prof. Walter R. Johnson, on whose motion Col. Peter Force was called to the Chair, and Charles F. Stansbury chosen Secretary of the meeting.

This temporary meeting having been effected, the committee proceeded to organize permanently by the appointments of the Hon. William L. Garrison, Vice President of the United States, Chairman, and Prof. Walter R. Johnson, Secretary.

At the request of the Chairman, (Col. Force), the following papers were read by Prof. Johnson, in explanation of the appointment and duties of the committee.

**STATE DEPARTMENT.**  
WASHINGTON, May 17, 1850.  
SIR: I have the honor to acknowledge the receipt of your letter of the 15th inst., and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

From the Secretary of the Royal Commissioners of Great Britain, hereto annexed, it will be observed that all objects intended to be introduced from foreign countries and entered for that Exhibition are required to have been first submitted to and approved by a central authority or commission of the country from which they shall be brought, and that no other will be recognized as a central authority.

I have the honor to be, very respectfully, yours,  
JOHN M. CLAYTON.

This communication was laid before the National Institute, and by it referred to a select committee, which brought forward the following report:

**Report of the select committee, to which was referred the communication from the Hon. John M. Clayton, Secretary of State, relative to the formation of a central authority for transmitting articles to the Industrial Exhibition to be held in London in 1851.**

The committee, impressed with the importance of the subject committed to the Institute, have given to it their earnest and careful attention. The resources, the ingenuity, the industry, and arts of the United States are conceived to merit the best endeavors to procure for them the opportunities of being adequately represented in the great Industrial Exhibition at London.

Agreeably to the programme adopted by the Royal Commission, no articles are to be received from Foreign Exhibitors except those which shall have been approved by a central authority, recognized as such by the Government of the country from which they are sent.

This Institute being the only Society for the Promotion of Science and the Arts, directed, incorporated by the Government, the Secretary of State has deemed it the appropriate body to take action on the subject submitted to it by the Department of State.

1. Resolved, That the Institute will take action on the subject submitted to it by the Department of State.

2. Resolved, That the Institute do now proceed to constitute a committee suitable to be recognized by the Government as a central body to hold correspondence with the Royal Commission, to receive the reception of American productions at the proposed Industrial Exhibition in London.

**A GREAT NATIONAL WORK.**  
**THE GALLERY OF ILLUSTRIOUS AMERICANS.**  
Daguerreotypes by Brady—Engraved by D'Almeida.  
EDITED BY AN ASSOCIATION OF LITERARY MEN.

**UNDER** this title will be published, during the year 1850, twenty-four Portraits and Biographical Sketches of American citizens who have become famous in the service of the country. Every portion of the work will receive the most careful attention, and nothing will be spared to render it a worthy and enduring monument to the great men of the Republic.

Mr. Brady has been many years engaged, at great expense, in collecting portraits for a National Gallery, and those which are being engraved for this work are believed to be superior to any that have ever been taken. We hope the acquisition of this great object he has experienced the utmost courtesy and encouragement from distinguished men. Mr. Brady's reputation has been long established to need any recommendation. His daguerreotypes are the highest sense the works of art, glowing with the soul of the living countenance.

The drawings and engravings of D'Almeida have been procured from the artist to be fully equal, and in some respects superior to those of the best artists of London and Paris; and every impression in this Gallery will be taken under his immediate supervision. The typography will be executed as carefully and in as superior a style as the engravings themselves. The entire work will be on the most improved paper, 16 by 25 inches, made expressly for this purpose.

This work has nothing sectional in its scope; it will therefore be comprehensive in its spirit. The names of those men are admitted, whose talents and public services have won for them an honorable fame throughout the nation. Each of the great departments of life will have its representatives. Cards of Art and Letters, and the Gallery is intended to be a worthy and enduring monument to the great men of the Republic, whose achievements and fame constitute the chief glory of our country.

Our country's friends will respond to our appeal for encouragement and aid in so commendable an undertaking, that its publication may be an era in the progress of American literature, and the illustrious men of the Union together, consolidate it still more firmly.

No work of this kind has appeared in America, and the prices they sustain in Europe would place it beyond the reach of most of our citizens, the publishers have resolved to merit a large circulation, by offering a very low price. They have, therefore, established the following

**BLACKWOOD'S MAGAZINE.**  
AND THE  
**BRITISH QUARTERLY REVIEWS.**  
Premiums to New Subscribers.

OWING to the late revolutions and counter-revolutions among the nations of Europe, which have fallen like a storm upon the world, the "Edinburgh Quarterly Review" and the "Westminster Review" are the only periodicals of Great Britain have been invested with a degree of interest hitherto unknown.

They occupy a middle ground between the daily, disagreeable character of the newspapers, and the elaborate and ponderous treatises to be furnished by the Liberator and the Spectator. They are, therefore, deemed to be the most valuable and interesting of the periodicals, and the very low price at which they are offered to subscribers. The following is

**THE LONDON QUARTERLY REVIEW.**  
THE EDINBURGH REVIEW.  
THE WESTMINSTER REVIEW.

In these periodicals are contained the views, moderately expressed, of the leading statesmen of the three great parties in England—Tory, Whig and Radical—"Blackwood" and the "London Quarterly" are Tory; the "Edinburgh Review" is Whig; and the "Westminster Review" is Radical. The "British Review" owes its establishment to the last great ecclesiastical movement in Scotland, and is not at all in the least degree a party organ.

It is a journal of human knowledge, and was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hanna, associated with the most distinguished literary character in the very highest order. The "Westminster" is, though reprinted under that title only, is published in England under the title of the "Foreign Quarterly" and is a journal of human knowledge, and was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hanna, associated with the most distinguished literary character in the very highest order.

Reviews formerly published and reprinted under separate titles. It has therefore the advantage by this combination of uniting in one work the best features of each as heretofore.

The above Periodicals are reprinted in New York, immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are sold at a very low price, for the purpose of making them an exact fac-simile of the Edinburgh edition.

**TERMS.**  
For any one of the four Reviews, \$3.00 per annum.  
For any two do 5.00  
For any three do 7.00

A subscriber to three of the Periodicals, at \$7 a year, or to four of the Reviews, at \$5, will receive two premium volumes as above.

Consistent premium volumes will be furnished when practical, and the subscriber's name will be entered in the list of subscribers, and many other works for premiums as they may require volumes.
